JOB OPPORTUNITY

Pinnacle Security and Investigation Inc. is currently seeking current and former POST Certified Law Enforcement Officers to provide armed security services to neighborhoods and businesses throughout New Orleans. We are licensed through both the Louisiana State Board of Private Security Examiners and the New Orleans Police Department's Special Officers Division.

As a full time, reserve, or retired Law Enforcement Officer, have you ever asked yourself:

- Can I supplement my income by doing something I have done my entire career?
- Can I earn additional income working a job that I am comfortable doing?
- Can I get a job that pays me for my experience?
- Can I work around people that have the same experiences as I do?

NOW THERE IS AN OPTION!

Pinnacle Security and Investigation Inc. is a private security company that is owned and operated by law enforcement professionals. We are unique in that we are the only local security company that hires officers with prior law enforcement experience. This gives us a distinct advantage over other companies and allows us to reward officers for their experience and training. We pride ourselves in not being a company that employs traditional "security guards", because let's be honest... YOU ARE BETTER THAN THAT!

We truly believe that our officers are our greatest asset, which is why we invest in them with compensation that is 30% higher than the industry standard for security officers. For most contracts, starting pay is:

\$17-\$20 per hour (\$35,360-\$41,600 per year full time)

We are changing the face of security in New Orleans and would like you to join our team. The residential and business communities are seeing the difference in what we are providing, so help us support our NOPD officers and return that sense of security to every neighborhood across New Orleans. If you are interested in our opportunities you can find further information on our website www.securitybypinnacle.com. You can click on the CONTACT US tab and then EMPLOYMENT OPPORTUNITIES to submit an application. Or feel free to just give us a call and we would be happy to speak with you. (Preference given applicants within 1 year of separation from their agency)
